

T&Cs for Salary Account benefits

The Federal Bank salary account linked through the Fi app comes packed with fantastic benefits, and we want to ensure you're aware of all the perks & terms of use that come with it. These terms and conditions (T&Cs) are meant to be read by you along with the [Fi Terms and Conditions](#) + [Fi Privacy Policy](#). All of which you agreed to while opening your savings account via the Fi app.

Don't worry; we promise to keep the legal jargon to a minimum, however, we may slip in a few puns. Let's go!

and DC spends' benefit start for you. The terms mentioned above still apply.

- The ₹500 Amazon voucher welcome reward only applies to users who activate after 11 April 2023.

A Detailed Breakdown of the Rewards

1. Flat 2% cashback on your monthly spends (Up to ₹500 / month)

For Fi's salary benefits to become active, your employer should directly deposit your salary into this savings account — provided by Federal Bank via the Fi app.

How it works

- Once your salary benefits are active, you will receive 2% cashback on all shopping payments above ₹100 made via UPI or Debit Card through Fi.
- Total monthly cashback rewards will be sent to you in the first week of the following month as a money-plant in the app's Your Rewards section. When you open the money-plant, you can claim the cashback amount.
- Only UPI payments made through Fi app using this savings account will be eligible for the monthly cashback offer. Any UPI payments from your Federal Bank Savings account using third-party apps like Gpay, Phonepe, Paytm will not be rewarded.
- Refunded or reversed payments will also not be considered for the monthly cashback offer.
- Only spends while you were active as a salary account user will get considered for a reward. If your benefits are deactivated, then spends in the deactivated duration of a month will not get considered.
- If you activated your salary benefits between Feb 1-Apr 10 (2023), you'll be eligible for the following:
 - (a) limited-time 10% cashback (for the first 3 months)
 - (b) 2% cashback (from the 4th month onwards)*You cannot simultaneously get both rewards at any point in time.*
- Your salary should regularly be deposited into your savings account (provided by Federal Bank through the Fi app) for salary account benefits. If there is no salary deposit for 60 days, then salary benefits will be deactivated.
- You can track whether benefits are active by visiting the salary benefits page in the app.

Terms for this offer

- For every payment, you can receive a maximum of ₹50 cashback.
- You can receive a maximum of Rs 500 Cashback in a calendar month.
- This offer is active from 1 April, 2023.

2. Flat 10% of your salary as Fi-Coins (expires on April 30th, 2023)

How it works

- You receive 10% of your salary in Fi-Coins when you complete your first merchant transaction in a month using UPI or Debit Card through Fi.
- You have to complete a transaction of ₹200 or more.
- Once the transaction is complete, you will receive 10% of your salary in Fi-Coins as a reward.
- For example, if your salary is ₹1,00,000 you will get 10,000 Fi-Coins.
- These Fi-Coins will be auto-credited to your Fi-Coins balance.
- You can track these rewards in-app under Your Rewards and on your salary benefits page.
- You can only get one such reward every month.
- You can win a maximum of 15,000 Fi-Coins in a month.
- Rewards cannot be won on peer-to-peer transactions, i.e., payments to other non-merchant users.

Terms for this offer

- This reward will expire on April 30, 2023
- Only transactions done before this date will be eligible for rewards.

3. Welcome Reward: A ₹500 Amazon voucher when you activate salary benefits

How it works

- Ensure your salary benefits are active within 45 days of registration for the salary account.
- Salary registration gets completed when you have successfully submitted your employer details.
- Salary benefits get activated when:
 - (a) You confirm employer details
 - (b) You receive your salary in this savings account
 - (c) epiFi Technologies verifies your employment status
- Once benefits are active, you will receive a ₹500 Amazon Voucher on the 15th or 30th/31st of the calendar month of your activation.
Example: If your salary benefits activate on April 5, you'll get the Amazon voucher on April 15. On the other hand, if your benefits activate on April 17, you will get the coupon on April 30.
- The Amazon Voucher will be emailed to your Fi-registered email account.
- epiFi maintains the final discretion regarding the verification of your employment status.
- The reward is only applicable to first-time activators of salary benefits. You would not be eligible if your benefits were previously active and then inactive.

Terms for this offer

- This is a one-time reward applicable from 1 April, 2023.
- The terms for this reward may change from time to time — as per Fi's discretion.

4. Shopping via Fi: Flat 20% of Debit card & 10% of UPI shopping spends as Fi-Coins

How it works

- Your salary benefits need to be active to avail this reward.
- On UPI spends, you get flat 10% of your shopping spends as Fi-Coins.
- On Debit card spends, you get flat 20% of your shopping spends as Fi-Coins.
- There is no minimum payment amount.
- Every time a purchase gets successfully completed, you will receive Fi-Coin rewards. You can track these in the app's 'My Rewards' section.

Terms for this offer

- International transactions will not qualify for this reward.
- For UPI rewards, payments to merchants like Paytm, Club 12, Freecharge, Mobikwik, Jio Money, Amazon Pay, Ola Money or Swiggy Money are not applicable for the reward.
- When paying with UPI via Fi, ensure that 100% of the payment is made using UPI. Avoid combinations like wallet cash and UPI to make the payment.
- Refunded or reversed payments will also not be considered for rewards.
- You cannot win rewards on peer-to-peer transactions, i.e., payments to other non-merchant users.
- You can get a maximum of 500 Fi-Coins for a UPI transaction.
- You can get a maximum of 5,000 Fi-Coins for UPI transactions in a month.

- Salary account holders can get exclusive cashback, vouchers, or merchandise offers at attractive prices.
- A limited inventory of offers will be available for 500 Fi-Coins from the 1st to the 3rd of every month.
- Offer will be live only until stocks last. If you don't see an exclusive offer for 500 Fi-Coins — the offer has likely been fully claimed.
- To ensure access to the offers, please ensure you are on the latest app version.
- Salary benefits need to be active before you claim an offer.

General Terms and Conditions

1. A salary account is an account that provides exclusive benefits on your savings account offered by Federal Bank through Fi — over and above a regular savings account on the app. Upon receiving your salary in your savings account, such additional benefits are

granted to you.

Note: If you choose to convert your savings account into a salary account on Fi, the nature of your account will continue to remain as a 'savings account'.

2. You agree that your savings account via Fi may be categorised as a salary account only if you qualify the eligibility criteria mentioned as per the terms below.
3. You may get access to a salary account by:
 - a. Confirming your employment details with Fi.
 - b. Asking your human resources manager to make Fi your salary account by providing them with your savings account details.
 - c. Benefits will only unlock after you have received your salary in your savings account via the Fi app. At this point, your account will upgrade to a 'Salary Account'.
4. Please note: To receive your salary in your savings account, you might need to reach out to your company's payroll or HR team. You can do this by sharing details of your Savings Account opened through Fi with the concerned department at your company. You can initiate an email to the concerned parties from within the Fi app. Please note that by doing so, you agree and consent to us sharing your account details, like your savings account name, number and IFSC code, as per your instruction. In addition, you also agree to share a digital cancelled cheque as proof of your account details. This cheque is issued by Federal Bank for account verification only. If needed, you can also remove this cancelled cheque from your email.
5. You get the below-mentioned benefits when you upgrade to a Salary Account. You can find detailed T&Cs for each benefit mentioned in the 'T&Cs for salary account benefits' section:
 - a. Monthly cashback offer – Flat 2% cashback on your UPI through Fi and Debit Card monthly spends, credited in the first week of next month
 - b. Welcome reward – A ₹500 Amazon voucher when you activate salary benefits
 - c. When paying for shopping through Fi: Get Fi-Coins after each payment — flat 20% of your Debit card spends & flat 10% of UPI spends
 - d. Exclusive vouchers & offers
 - e. Free cheque book
 - f. Free physical VISA debit card
 - g. Zero Forex charges on Debit Card
 - h. Access up to 9% returns with Jump investments
 - i. 10% of your salary as Fi-Coins (*Expires April 30, 2023*)
 - j. Health insurance top-up; up to ₹20 lakh (*Coming Soon*)
6. The eligibility criteria for converting your savings account to a salary account have been mentioned below:
 - a. Your employer (company) should be registered on the Ministry of Corporate Affairs portal. Or be listed in the Employees' Provident Fund Organisation (EPFO). Or should be registered with the GST authority.
 - b. The salary should arrive from the verified employer in your salary account provided by Federal Bank (through Fi).

- c. To be eligible for the salary account programme: a minimum salary credit of INR 25,000 per month, is required unless a company whitelisted by us employs you. In the case of a whitelisted company, the minimum salary credit requirement is INR 15,000. Please scroll to the bottom of this page for a list of approved companies.
 - d. Note: Fi, at its discretion, maintains the right to unilaterally vary the terms or cancel the salary account programme and change the eligibility criteria (with or without notice). Any change (including a unilateral change) in terms of the salary account programme would not make Fi or its partner bank liable for any: (i) lost profits, (ii) loss of goodwill, (iii) any special, indirect, incidental, punitive, or consequential damages of any kind whatsoever. However, Fi will take all reasonable and commercially prudent steps to inform users of any change in the salary account programme.
7. Fi has the right to discontinue the salary programme for specific users — especially if such user accounts get flagged for fraudulent activity or other related reasons.
