**b. Forex markup charges:** When you use your Simplifi Credit Card to transact in a foreign currency, that transaction amount is converted to Indian Rupees (INR) on the settlement date, which could be different from the date of transaction. On

this amount, a forex markup fee will be levied at the rate specified in the table above, and applicable taxes such as tax collection at source (TCS), if applicable, would be levied as per the prevailing tax rate. GST will be applicable on the markup fee. If this transaction is refunded or reversed, both the markup fee and GST charges will be refunded. A forex markup fee will also be levied in case of transactions done at merchants located in India but registered overseas.

**c. Late payment charges:** Late payment charges would be applicable at the rate mentioned in the table above if the minimum amount due is not paid by the due date till such time the minimum amount due or more is paid or the fixed deposit linked to Simplifi Credit Card is liquidated to close the Simplifi Credit Card. Charges applied are dependent on the total amount due on the Simplifi Credit Card. These charges may apply to each statement based on the total amount due at that time, if at least the minimum amount due is not paid every month.

**d. Auto debit reversal fees:** Charge of Rs 250 will be applied in cases where an auto-debit set for repayment of Simplifi Credit Card dues is effected but fails due to lack of funds as & when such facility is available and used by the cardholder

## **II. Interest free period and interest calculation**

Interest free period from the start of the billing cycle date shall not exceed 48 Days. Payment Due Date on your Simplifi Credit Card is 18 days after the Statement Date (please check your statement for your exact payment due date). Therefore, the interest free credit period can range from 18-48 days depending on your payment due date and date of purchase.

For example, if a statement is generated on 01 May (for the spend period 01 April - 30 April), and due date is on 18 May - interest free period will be 30 days for a purchase made on 18 April (18 April - 17 May) and 20 days for a purchase made on 28 April (28 April - 17 May).

This period will be free of interest only if all previous dues are paid in full and there is no unpaid balance carried over from previous months. However, if the Total Amount Due is not paid by the payment due date, then there will be no

interest free period. For cash advances, interest is charged from the date of the transaction until the date of payment. The following illustration will indicate method of calculating interest charges:

### *Illustration 1 – Full repayment not made*

Consider the following scenario:

Billing Cycle : 01 April – 30 April

Statement generation date: 01 May

Due Date : 15 May

Annual Interest Rate/APR: 48%

Suppose a customer makes 2 purchases during the cycle, a purchase of Rs 2000 on 05 April and a transaction of Rs 10,000 on 15 April. There are no other transactions in the months of April and May.

Statement Details for the period 1 April – 30 April:

Purchase on 05 April	Rs 2000
Purchase on 15 April	Rs 10,000
Total Due in Statement on 1 May	Rs 12,000
Minimum Amount Due in Statement Generated on 1 May	Rs 600 (5% of total due)
Repayment	Rs 5000 on 10 May

Since the total amount due has not been paid, interest will be charged on a per day basis on the amount overdue. Calculations below:

Amount Due	Period	Interest calculation (Days x Amount x Per day interest Rate)	Interest Charges
Rs 2000	05 Apr-14 Apr	$13 \times 2000 \times 48\% \times (1/365)$	Rs 54.8

Rs 12,000	15 Apr – 30 Apr	$16 \times 12000 \times 48\% \times (1/365)$	Rs 526.0
Rs 12,000	01 May– 10 May	$10 \times 12000 \times 48\% \times (1/365)$	Rs 328.8
Rs 7000	11 May– 30 May	$20 \times 7000 \times 48\% \times (1/365)$	Rs 383.6
Total interest charges			Rs 1293.2 + taxes @18%

Since Minimum Amount Due (MAD) has been repaid before the due date in the above scenario, late payment charges would not be applicable.

### *Illustration 2 – Fresh Purchase when there is unpaid due*

Consider the following scenario:

Billing Cycle: 01 April – 30 April

Previous statement generated on: 01 April

Overdue in statement from 01 April: Rs 8000

Due date: 15 April

Repayment made: Rs 1000 on 10 April

Annual Interest Rate/APR: 48%

Suppose a customer makes 1 fresh purchase during this cycle, a purchase of Rs 1500 on 20 April and there are no other transactions in the month of April and May.

Next statement generated on 1 May will have the following overdue:

Amount Due	Period	Interest calculation (Days x Amount x Per day interest Rate)	Interest Charges
Rs 8000	01 Apr–9 Apr	$9 \times 8000 \times 48\% \times (1/365)$	Rs 197.3
Rs 7000	10 Apr – 19 Apr	$10 \times 7000 \times 48\% \times (1/365)$	Rs 191.8
Rs 8500	20 Apr– 30 Apr	$11 \times 8500 \times 48\% \times (1/365)$	Rs 256.2
Total interest charges			Rs 645.2 +

	taxes @18%
--	------------

Since the total amount due was not paid in the previous cycle of March, there is no interest-free-period in the month of April. Thus, any new purchase in the month of April will attract interest charges.

### III Fixed Deposit:

Towards security for the Simplifi Card facility, You shall be required to create a fixed deposit of a minimum amount as may be decided by the Bank (or its outsourced service providers) through the Fi App and deposit in the manner as may be required on the Fi App and execute/agree to execute relevant documents as may be required by the Bank (or its outsourced service provider). The fixed deposits created shall be for a minimum period of 6 months and shall be opened in auto renewal mode. By applying for the Simplifi Credit Card and agreeing to the Simplifi Credit Card Terms including these MITC, you hereby give your consent for the fixed deposit to be auto-renewed at the end of every expiry period. You agree that once the Simplifi Credit Card is issued, you shall not have the right to make any withdrawals from the fixed deposit until the Simplifi Credit Card is not closed.

In the event of closure/ cancellation and/or blocking of the Simplifi Credit Card by you/Bank (or its outsourced service providers) and there are no dues outstanding and payable by you under the Simplifi Card, the fixed deposit linked to the Simplifi Credit Card shall be continued in accordance with the mandates provided by you at the time of opening the fixed deposit. In case of cancellation however, Bank's lien on the fixed deposit in relation to the Simplifi Credit Card shall be removed, provided the dues under the Simplifi Card are repaid by You fully to the satisfaction of the Bank.

The prevailing rate of interest applicable at the time of auto-renewal of the fixed deposit shall be applicable on the renewed fixed deposit amount. Till such time as you continue to use Simplifi Credit Card, you agree that you shall not close/withdraw the fixed deposit. You further agree and understand that if you specifically provide instructions to not auto-renew the fixed deposit, it shall result in discontinuance/cancellation of the Simplifi Credit

Card, and liquidation of the fixed deposit by the Bank to recover any outstanding dues.

**Lien on Fixed Deposit:** In addition to the Bank's right of general lien and set-off, the Bank shall mark a lien on the fixed deposit amount deposited by you, including interest earned by you thereunder to secure the whole of the outstanding balance on the Simplifi Credit Card Account, together with any amount outstanding under the Simplifi Credit Card transactions along with interest and all other cost, charges as mentioned hereunder debited to the account and the interests/ charges affected but not yet charged to the Simplifi Credit Card Account during the usage of the Simplifi Credit Card. You hereby consent to such lien being marked in favour of the Bank on the fixed deposit created by you under these Simplifi Credit Card Terms. The Simplifi Credit Card shall be activated and be available for use only once the lien has been marked on the fixed deposit created by you.

**Liquidation of Fixed Deposit:** In the event of termination/ withdrawal/ cancellation of the Simplifi Credit Card or if you fail to pay the amount outstanding on the Simplifi Credit Card within sixty (60) days from the due date as mentioned in the Simplifi Credit Card Statement, or in case of termination of the fixed deposit upon your demise or for other reasons whatsoever, the Bank shall be entitled to forthwith liquidate the entire fixed deposit amount including the interest accrued and set-off such amount against the outstanding amount payable to Bank in respect of the Simplifi Credit Card, as well as for any pre-closure charges applicable for premature withdrawal of the fixed deposit. The pre-closure fee is 1% of the interest rate. For instance, if you were to gain 4% p.a. interest, then you would get 3% interest, if the FD is closed before selected tenure. The pre-closure fee is also linked to the tenure, no pre-closure charges apply for FDs with tenure of up to 14 days.

Any balance remaining in the Fixed Deposit account after the above referred deduction shall be refunded to you in the Federal Bank Savings Account accessible through Fi and pending outstanding will have to be paid immediately. You hereby declare and agree that these terms shall apply to your successors, nominees and heirs and you declare on their behalf that

they shall not raise any claims against the Bank (or any of its outsourced service provider) for recovery of outstanding dues from the fixed deposit.

#### IV. Billing

**a. Billing statements (periodicity and mode of sending):** A statement will be shared with you on a monthly basis depending on the bill generation date you select in the Simplifi Credit Card application process. This statement will contain all payments credited and transactions debited since the last statement, along with details of all charges applicable and details about any active EMIs on the account. Only electronic statements will be shared via email and this will also be available via Fi app.

**b. Minimum Amount Due (MAD):** Minimum amount due is calculated as 5% of Total Amount Due + 100% of EMI debits for the month + 100% of any over limit spends + 100% of all applicable, unpaid charges and fees including interest charges + GST

A cardholder can choose to pay the total amount due or an amount between total due and minimum amount due.

If you deposit a part of the total amount due or the MAD, the balance outstanding amount payable shall be carried forward to subsequent statements. This amount will attract interest charges until the date of full and final payment. Please note that paying only the Minimum Amount Due every month will result in the repayment stretching over a long period with consequent interest payment on your outstanding balance (as shown in illustration 1 above)

When a repayment is made, it is adjusted in this order:

- Billed cash advance (including interest, fees & taxes)
- Billed purchases (including interest, fees & taxes)
- Unbilled cash advance (including interest, fees & taxes)
- Unbilled purchases (including interest, fees & taxes)

Within these, payment is adjusted in this order: Taxes > Fees > Interest > Purchases

**c. Refunds/Chargebacks/Reimbursements:** You must pay for the transactions billed in the Simplifi Credit Card statement to avoid any additional charges being levied or the fixed deposit being liquidated. Any refunds, chargebacks or reimbursements which are not shown in the Simplifi Credit Card Statement, should not be adjusted or reduced by you from the Total Amount Due on your own when making the payment. No merchant refund/cashback/credit due to transactions converted to EMI /canceled transactions /reversals/ promotional cashback will be considered as a payment towards the outstanding of the Simplifi Credit Card.

Refunds/chargebacks/reimbursements, if any, will be reflected in your Simplifi Credit Card account, as and when such refunds/chargeback/reimbursement are received and these will be adjusted against your dues in your next Simplifi Credit Card statement.
